ABOUT THREE9

A DIVERSIFIED GROUP, BUILT ON TEAMWORK.

Three9 combines manufacturing, technology and operational expertise under one group. Our vision is to build a globally trusted company that delivers tailored solutions across industries.

Most businesses struggle not because of a lack of effort, but because they lack the right systems and tools. We start with your problem, then deliver the product, team or system that solves it.

HOW WE WORK

PROBLEM-FIRST
We start with the problem you need solved, not with a product to sell.

BUILT TO SPECIFICATION
Products, teams and systems shaped to your requirements.

SCALABLE BY DESIGN
Start small, then scale production, teams or automation as you grow.

ONE ACCOUNTABLE PARTNER
Manufacturing, workforce and technology from one group, with US and India contact lines.

OUR APPROACH

01
UNDERSTAND
We learn your business, your goals and what's getting in the way.

02
DESIGN
A product specification, team plan or system design, agreed with you.

03
DELIVER
We manufacture, hire or build, with samples, trials and regular check-ins.

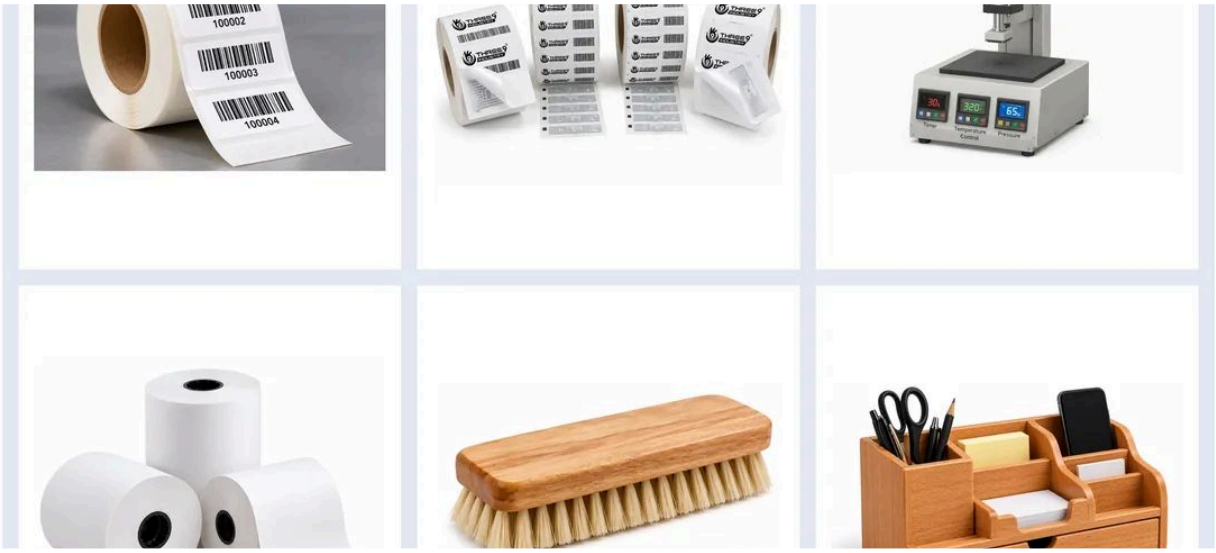

04
IMPROVE & SCALE
We measure results, refine, and scale up when you're ready.

Office: C612, GIDC Vasna, Borsad 388530, Gujarat, India

TECHNOLOGY & AUTOMATION

PRACTICAL TECHNOLOGY FOR EVERYDAY OPERATIONS.

We design smart systems that help businesses run with fewer manual steps, from AI-assisted surveillance to automated workflows.

AI SURVEILLANCE
Camera systems that flag events, not just record them.

SMART MONITORING
Live dashboards and alerts for sites, stores and equipment.

WORKFLOW AUTOMATION
Fewer manual steps in everyday operations and reporting.
